Vasav
3D Art & Design

About me

Hello, I'm Vasav, a 3D Generalist specializing in creating environments, characters, and props for film and games. I excel in both stylized and realistic concepts, focusing on visualization and animation. Based in Savannah, I am passionate about pushing boundaries in the digital realm and aspire to be a leader in advanced digital art. My goal is to evolve my personal style while bringing expertise to creative projects.

Education

M.F.A, Animation, Video Graphics, Special Effects.
Savannah College of Art and Design, Savannah   (2021 - 2024)

B.Des, Communication
National Institute of Fashion Technology, Bengaluru   (2014 - 2018)

Experience

3D Environment and Prop Design Teaching Assistant & Graduate Mentor
Savannah College of Art and Design Jan 2023 - Mar 2023 (3 Months)

As a TA and Graduate Mentor at SCAD, I excelled in guiding students in 3D design.
I taught ZBrush, Substance Painter, and Maya Dynamics, created study materials,
and mentored students to nurture their creative talents.

Junior Designer
Idiom Design and Consulting Ltd., Bangalore
August 2018 - May 2020 (1 Year 10 Months)

As a Junior Designer at Idiom Design and Consulting Ltd. in Bangalore, I worked on
illustrative and branding projects, as well as projects related to sustainability.
I also assisted with design workshops.
